Dear Pelham Manor, 24 Hour Fitness Above Noted Public Safety and Criminal Justice Officials:

I write this letter with respect to over 5 months of Regional Killer Adam Urbanski's repeated criminal usurpations, stalking's, hate crimes and criminal elevator disablements, in Pelham Manor's 24-Hour Fitness Gym. This is my third letter regarding this malicious, unwarranted, and criminal senile elevator harassment that makes no sense and is uncalled for. The elevator company refusal to simply fix the broken elevator, for over 5 months compels this letter as the gym is being used for Regional Killer Adam Urbanski repeated criminal senility hate crime administrations.

There is no reason why any elevator, serving seniors and the disabled, should be disabled for over 5 months. There is a problem that needs to be exposed and resolved.

Above you will see Regional Killer Adam Urbanski's other hate crime inflictions on me via his patterned and practiced paid for elevator disablements criminally using elevator repair companies to not fix the elevator to harass and torture people, to get to me.

This killer, Adam Urbanski, has followed me from job to job, building to building, and wherever I go for hate crime programming. Regional Killer Adam Urbanski pays people to inflict his hate crimes. He has turned school districts, colleges, my residences, upside down to target, harass and attempt to kill me. This 78-year-old is criminally senile and is working with a NYS satanic cult, disabling NYS laws to meet their hate crime, torture, and satanic killing requirements. Please see the reference section.

Regional Killer Adam Urbanski, as noted above is an over 30 years killer, who has not faced criminal penalties, YET. Due to such his children and adult hate crimes, killings, body broker, funeral home, and insurance money embezzlement crimes continue. At this point, he believes he can pay off the world for his satanic killing and torture agenda.

I met killer and satanist, Adam Urbanski, when I was a teacher in the Rochester NY City schools. I reported his deadly corruption in the Major Achievement Program. He tried to have me killed and God rescued me. Since then, he has criminally stalked me and tried to have me killed, several times, covertly, for over 30 years. He is a criminally sick man who has earned the death penalty. He specializes in criminal usurpations for assassination programming.

His children and adult killings in Rochester NY due to his over 30 years of criminal placement as RTA union President, needs to be investigated. The death rate of Rochester City School district employees and children will show a disproportionately high death rate because he is using the personnel office as his Human remains and insurance money consent form gathering office. He is a killer and is mentoring others how to kill for easy, unsupervised insurance money.

Presently, Regional Killer Adam Urbanski, who is 78 years old, is criminally programming the Rochester NY City School district to have no Superintendent. He programmed a different superintendent job for the current superintendent, just to leave the RCSD in his control. He is the oldest criminal in the school district. He has all the keys. He knows how to covertly kill students and staff, particularly with his

University of Rochester Medical Center, unsupervised by design, infectious disease injection programming and his induce hospitalizations due to his name aligned induced trauma via his criminal sleep deprivation programming. Please see page 47 at: https://archive.org/details/march-29-2024-rcsd-adam-urbanski-programs-his-eugenic-massacre_202403/page/47/mode/1up

Regional killer Adam Urbanski tried to have me killed 30 years ago, using his above documented sleep research torture and induce hospitalization program. But God stopped his killing plans, and he has sought revenge for the last 30 years by stalking me everywhere and administering organized hate crimes in all my business and medical affairs.

He needs his attempted murder victims to be sitting ducks. Hence, disabling the elevator in the gym and in my building, is part of his conspiracy to murder crimes. He is trying to stop me from going to the gym and utilizing the wet area detox mechanisms to counteract his building level induce cancer radiation poisoning, coupled with his induce heart disease and induce diabetes, toxic air particulate ventilation. He is a bonafide regional killer. Please see his recent building level tenant killings disabling the elevator and poisoning tenants: https://drive.google.com/file/d/1KvPb4fmsJx_6b10BrZKUqf0bpe0xzaSp/view?usp=sharing
AND
https://1drv.ms/w/s!AkWYbx_EB13u3hDY5OiEB-G4HebK

With respect to RCSD, he pays off board members to make sure only inexperienced Superintendents are hired. He has criminally usurped all control over the RCSD for his name aligned assassination programs. Specifically, he has criminally usurped ALL power in the RCSD, for his human remains consent form gathering, hiring of criminals, for his infectious disease injection stalking of the RCSD most intelligent children and for whistleblower adults. He created his Human Capital office for his assassination programming and such office controls all the RCSD's money by criminal design. Such office controls all student and staff medical records for easy medical/injection stalking, poisoning, assassination programming, and easy induce hospitalization programming. The innocent blood of RCSD children has been a killer Adam Urbanski programmed, over 30-year, steady flow of innocent children blood for his executive satanist cult members blood thirsty satanic ritual requirement for wealth and power.

Please meet this Adam Urbanski eugenic assassination programmer in his conflict of interest capacity as body broker, funeral home owner, insurance money swindler, infectious disease drug dealer, and children, innocent, live blood stalker, at pages 32 to 47 at: https://archive.org/details/march-29-2024-rcsd-adam-urbanski-programs-his-eugenic-massacre_202403/page/33/mode/1up

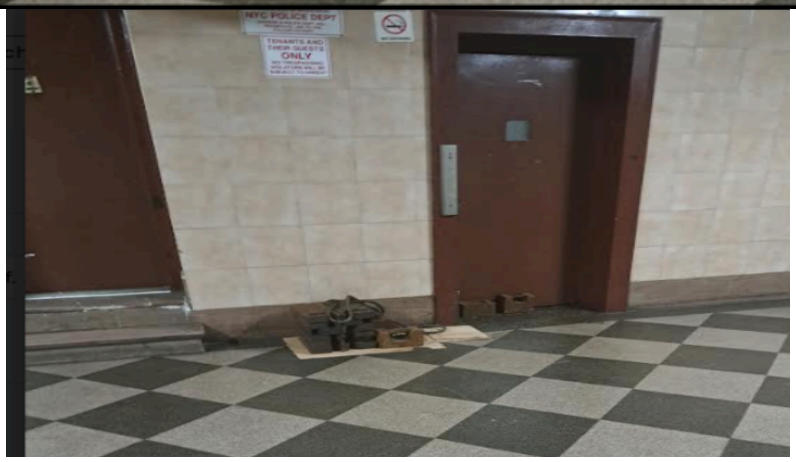
I seek an end to Regional Killer Adam Urbanski's repeated stalking's and criminal usurpations in Pelham Manor 24 Hour Fitness gym via elevator disablement criminal insanity. I should not have to contact the Pelham Mayor's office 3 times, contact the media, and write criminal reports to have the elevator fixed. The over 5 months disablement of Pelham Manor 24-hour fitness gym is another regional killer Adam Urbanski, criminal usurpation in the 24 hour Fitness gym's management.

The Pelham 24-Hour Fitness management team was supposed to call a different elevator company to fix the elevator, 3 months ago. I seek an end to this retardation of stating the elevator company fixed the elevator for one day and thereafter the elevator is broken again, for 5 months. If a company is stating such, then in good faith, management must go to another company. This is the type of dysfunctional management Regional Killer Adam Urbanski uses for his conspiracy to murder, hate, body broker, children killing, and torture crimes.

This is the sick type of management he has in the RCSD. He has programs to hurt children and staff, like his Major Achievement program, designed to identify and poison, the most intelligent children.

Killer Adam Urbanski brought his criminal senile hurt the customers and members to this gym by paying a broken elevator company to keep his broken elevator crimes, disregarded for over 5 months. Only a nutcase would program this and then act like the company which disables the elevator is the only elevator company in the world. Please see his below criminal senile elevator disablement hate crimes, administered in my building, where he had the collapsed elevator motor placed in front of the elevator to serve as Notice, at:
https://drive.google.com/file/d/1fR0mbGwrVO2AITywcFiAtHQAnGOY5uBm/view?usp=sharing



Please stop this Regional Killer Adam Urbanski repeated, malicious, unwarranted, makes no sense, over 5 months, elevator disablement programming. Please stop Regional Killer Adam Urbanski's criminal, paid for, malicious usurpations and hate crime administrations in Pelham Manor 24 Hour Fitness gym. Thank you for your time.
